WELCOME TO AGPLAW DISPUTES DEPARTMENT

With a steadfast commitment to excellence, our disputes team specializes in providing top-tier legal representation and advice in complex and high-stakes disputes across Cyprus, England & Wales, Bermuda, and Dubai DIFC.

We aim at offering a comprehensive approach to resolving legal disputes, with a deep understanding of the law and a commitment to strategic thinking and creative problem-solving. We work closely with clients to understand the specific needs and goals and develop customized litigation strategies.

Whether you are involved in a civil or corporate dispute, a fraud case, or a commercial matter, or whether you are facing a personal legal matter, we are uniquely equipped to provide you with the legal representation you need.

OUR AREAS OF EXPERTISE

Our expertise spans across various legal disputes, including but not limited to civil and commercial litigation, corporate litigation, constitutional & administrative law, cybercrime, defamation, family law, financial crime, and intellectual property disputes.

civil, commercial and corporate litigation

Our expertise is vast and varied, reflecting the complexities of modern legal challenges.

We excel in **civil and commercial litigation**, tackling disputes ranging from simple contractual disagreements to intricate multi-party commercial conflicts. Our proficiency extends to **corporate litigation**, where we represent corporations in shareholder disputes, mergers and acquisitions conflicts, and governance issues.

cybercrime

In the rapidly evolving sphere of **cybercrime**, our team is adept at handling cases involving online fraud, data breaches, and digital asset disputes.

defamation

Our **defamation** expertise protects our clients' reputations in an age where digital communication can cause rapid reputational harm.

family law

Family law is another area of our strength, where we handle sensitive cases with the utmost care and discretion, including divorce proceedings, custody disputes, property settlements but also violence in family and child abduction cases.

financial crime and forex fraud

Financial crime and forex fraud, a growing concern in the business world, is another field where we provide robust defense and proactive legal strategies to protect our clients.

intellectual property disputes

In the domain of **intellectual property disputes**, we safeguard the innovative creations and proprietary rights of our clients, ranging from small startups to large corporations. Whether it's a trademark infringement, patent dispute, or copyright issue, our team is well-equipped to provide expert legal guidance.

property and construction disputes

Property and construction disputes are another key area of our expertise. We handle a range of issues from contractual disagreements in construction projects to disputes over property ownership and land use rights. Our approach combines thorough legal knowledge with a practical understanding of the construction and real estate sectors, ensuring our clients receive comprehensive legal support tailored to the specificities of their industry.

maritime law

In the realm of **maritime law**, our department excels in handling shipping disputes. This includes charter party disputes, cargo claims, maritime liens, and ship arrest and release. Our team is equipped to navigate the complexities of maritime law, providing our clients with knowledgeable guidance and determined representation in this specialized field.

personal injuries

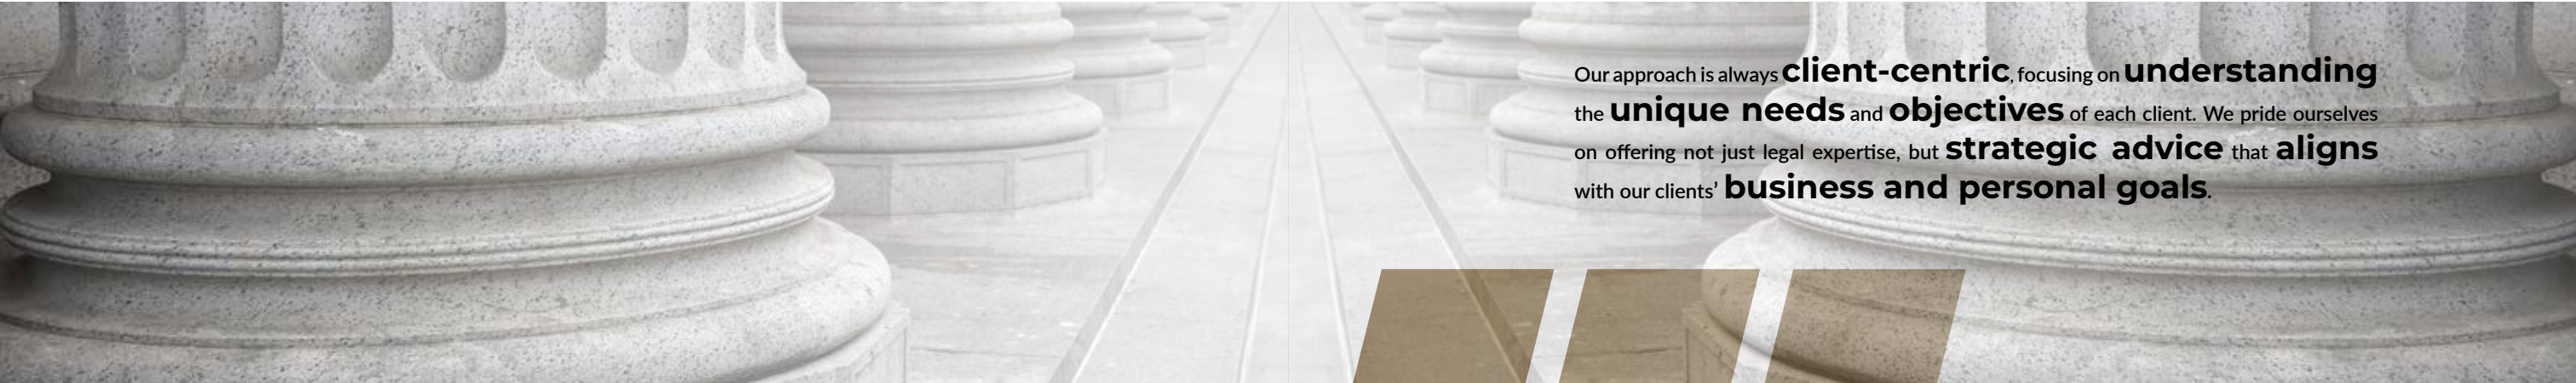

Our legal proficiency extends to the areas of **personal injuries, torts, and car accidents**. We understand the overwhelming impact these incidents have on individuals and we are committed to offering assistance through compensation and justice for our clients. We handle cases involving injuries from minor to severe, ensuring each client receives personalized and compassionate legal support.

professional negligence

Professional negligence, including **medical negligence**, is another area of our expertise. We represent clients who have suffered due to the negligence of professionals, be it medical practitioners, lawyers, accountants, or other experts. Our team's deep understanding of the standards expected in various professions enables us to effectively advocate for our clients, ensuring they receive the justice and reparations they deserve.

injunctions

Lastly but alongside our core areas of practice, **we specialize in securing injunctions for our clients**, a critical tool in many legal disputes. Whether it is freezing assets, preventing the destruction of sensitive information, or maintaining the status quo in disputes, **we are experts in obtaining timely and effective injunctive reliefs**.

Our approach is always **client-centric**, focusing on **understanding the unique needs and objectives** of each client. We pride ourselves on offering not just legal expertise, but **strategic advice** that **aligns** with our clients' **business and personal goals**.

OUR TEAM

Our team, comprising skilled litigators and arbitrators located in Cyprus and London, brings extensive experience and deep knowledge of the laws and regulations in each jurisdiction we operate. Their dedication and expertise are the pillars of our success.

Our expertise is not just limited to legal theories but extends to practical, hands-on experience in the courtroom and in arbitration proceedings. Our collaborative approach within the Firm and with external partners, like Lamb Chambers, ensures that our clients benefit from a rich pool of legal expertise and innovative solutions.

- Our team is **prominent** for quickly understanding clients' exact needs and delivering precise legal solutions. Our professionals are **committed** to excellence and highest levels of quality – a testament to our **dedication**.

- Our team's high level of **expertise** and **client-focused** approach has earned us prestigious recognitions. We have been consistently ranked in and recommended by Chambers & Partners and the Legal500 EMEA from 2012-2023 in the category of 'Dispute Resolution'. This accolade reflects our unwavering commitment to providing **top-tier** legal services.

- Each member of our team brings a unique set of **skills** and experiences, united by a shared goal of achieving the best outcomes for our clients. Our dedication, coupled with our firm's esteemed reputation, positions us as **leaders** in the field of dispute resolution."

CROSS-BORDER LITIGATION & INTERNATIONAL ARBITRATION

*Our cross-border litigation expertise covers several jurisdictions, offering comprehensive legal services in **Cyprus, London (UK), Bermuda, Dubai**, and other common law territories. In each of these locations, our team applies an in-depth understanding of local laws and international legal principles to effectively manage and resolve disputes.*

A critical aspect of our cross-border litigation practice is our ability to implement forensic accounting, especially crucial when tracing funds across international borders. Through our team of experts in this field, we can uncover financial irregularities, trace assets, and build compelling cases in complex financial disputes.

In terms of international arbitration AGPLAW stands as an arbitration powerhouse, boasting a dynamic team of local and international lawyers, counsels, and barristers. We are uniquely positioned as conflict-free experts across numerous jurisdictions and sectors, bringing a global perspective to every arbitration case.

Members of AGPLAW have been involved in cases under prominent arbitration bodies such as LCIA, ICC, SIAC, DIFC, LME, AAA, and CAS. We have advised on global arbitration issues under the rules and laws of diverse jurisdictions including the British Virgin Islands, Bermuda, the Cayman Islands, Cyprus, England & Wales, Hong Kong, India, Jersey, Netherlands, Russia, Saudi Arabia, Singapore, Sweden, Switzerland, Turkey, and the USA.

Two of our London Barristers, Timothy Frith and Dr. Natalia Perova, are distinguished as certified Fellows of The Chartered Institute of Arbitrators (CIArb), highlighting their extensive experience and qualifications as arbitrators.

Members of AGPLAW have represented States, banks, tech firms, transport companies, airlines, hedge funds, high net worth individuals, brokers, and investment firms in arbitrations involving Commercial & Corporate / Shareholders Disputes, Shipping, Property & Construction, Technology, Insurance, Banking & Finance, Derivatives, Energy / Oil and Gas, Fraud, Sale and Carriage of Goods, Intellectual Property, and Sport disputes.
