SERVICES OVERVIEW

When it comes to transactions and legal advisory, at AGPLAW, we are dedicated to delivering comprehensive legal services across various key practice areas. Our approach combines deep legal knowledge with practical solutions, designed to support our clients' objectives and business needs.

> Banking & Finance

At AGPLAW, we stand as a trusted provider of legal services in the banking and financial sector, offering a broad range of support from transactional assistance to legal and regulatory advice and litigation. Our expertise covers the full spectrum of banking and finance transactions, including **mergers and acquisitions, securities offerings, loan and other transactional agreements, and structured finance**. We ensure our clients meet the latest regulatory compliance standards, providing strategic advice on Cyprus and EU regulatory regimes.

> Business Valuation Services

We offer expert business valuation services, essential for owners contemplating mergers, seeking new investors, or involved in legal disputes. Our skilled team, consisting of valuation professionals and financial analysts, is dedicated to delivering bespoke solutions tailored to the unique needs of your organization. We pride ourselves on providing **precise, actionable insights** across various sectors, ensuring our clients are well-informed for strategic decision-making. Our services extend to operational analysis, transaction advisory, and strategic planning for future growth, grounded in a thorough understanding of the factors that influence business value.

> Commercial, Corporate & M&A

We specialize in corporate, commercial, and M&A advisory services, focusing on delivering strategic advice that supports our clients' growth and value maximization. We assist with **corporate restructuring, mergers and demerges, acquisitions, and joint ventures**, ensuring each process is managed with precision and attention to detail. Our expertise in contracts is extensive, encompassing the **drafting, review, and negotiation** of a wide array of agreements to protect our clients' interests effectively. Additionally, we provide comprehensive **corporate governance** advice, helping clients fulfil their management duties, understand board obligations, and uphold **shareholder rights**, all while adhering to best practices and compliance requirements.

> Immigration & Relocation in Cyprus

We offer a comprehensive suite of immigration, relocation, and citizenship services designed to streamline the process of moving to Cyprus, whether for **work, investment, or residence**. Our expertise covers everything from assisting with **visa applications, digital nomad visas, and family reunification** to navigating the criteria for obtaining **Cypriot citizenship**. We understand the importance of a smooth transition and provide end-to-end support for individuals and families making Cyprus their new home, ensuring compliance with all legal requirements while optimizing the benefits Cyprus has to offer.

> Intellectual Property & Trademarks

At AGPLAW, we recognize the critical importance of protecting intellectual property (IP) and trademarks in today's global marketplace. Our services include **IP registration, IP tax planning and IP BOX, IP litigation**, and strategy development to safeguard our clients' innovations and brand identity. We work closely with our clients to enforce their IP rights, combat infringement, and navigate the legal landscape of IP protection both in Cyprus and internationally.

> International Corporate Services

Our International Corporate Services team offers specialized support for **company formations, tax optimization, and regulatory guidance** across numerous jurisdictions. We assist with the formation and incorporation of companies, tailoring our advice to match the strategic needs of our clients while ensuring compliance with local laws. Our tax advisory services focus on leveraging Cyprus' tax regime to offer **optimized solutions** for international operations. Furthermore, we provide **end-to-end guidance** on company law and corporate matters, ensuring smooth cross-border transactions and operations for our clients.

AGP MANAGEMENT

> Labour & Employment Law

Our employment law services serve both employers and employees, ensuring fair practices, compliance with labor laws, and protection of rights within the workplace. We offer advice on contract drafting, handle employment disputes, and provide strategic recommendations for navigating employment law challenges. Our goal is to foster productive work environments and resolve any issues efficiently, protecting the interests of our clients at every step.

> Legal & Financial Due Diligences

The importance of thorough legal and financial due diligence cannot be overstated; therefore, our services are designed to provide deep insights into the target company's legal and financial health. Our team, comprised of specialised corporate lawyers and in-house chartered accountants, excels in revealing all necessary information for informed decision-making, covering mergers, acquisitions, and corporate finance transactions.

> Liquidations & Strike Offs

AGPLAW provides comprehensive guidance through the process of company **dissolution**, including **voluntary liquidations** and **strike offs**. Headed by Angelos Paphitis, a registered insolvency practitioner, our team advises on all necessary procedures for a successful outcome, specializing in liquidation processes both within Cyprus and internationally.

> Real Estate & Property Law

Our real estate and property law services encompass comprehensive support for all transactional aspects, from **sales** and **purchases** to **leasing**. Our team ensures that each transaction is conducted smoothly, with **due diligence** and meticulous **contract management**. We are adept at resolving property disputes, offering both advocacy and strategic litigation services to protect our clients' real estate interests. Our commitment extends to ensuring all real estate transactions comply with relevant laws and regulations, effectively managing risks and safeguarding our clients' investments.

> Redomiciliations & Branch Registrations

At AGPLAW, we facilitate the process for companies seeking to take advantage of Cyprus' competitive benefits by transferring their domicile or establishing a branch. Our expertise in local procedures ensures the success of applications, positioning Cyprus as an ideal hub for international business with its strategic location, comprehensive infrastructure, and advantageous tax system.

> Regulatory

We provide expert legal and regulatory compliance advisory services across **DAC6** regulatory compliance, **Energy** regulation, **GDPR & Data Protection**, the **Pharmaceutical** industry, **EU & Competition** law, and **Financial Services (FS) Regulatory** areas, ensuring comprehensive support for our clients' **regulatory compliance** requirements. Our team delivers critical insights and strategies to tackle EU tax laws, adjust to Cyprus' dynamic energy market, comply with GDPR mandates, meet pharmaceutical regulatory standards, and engage effectively within the EU's competitive environment. In the realm of FS Regulatory, we equip financial institutions with the necessary tools to stay ahead of regulatory changes, enhancing their ability to operate efficiently and securely.

> Tax

Our **tax advisory** and tax planning services are designed to help clients optimize their tax position while ensuring full compliance with Cyprus and international tax laws. We offer **strategic tax planning** advice and guidance on local and international tax matters, **transfer pricing studies** and **VAT compliance**, as well as advisory and support for achieving **IP Box regime**. We aim at using Cyprus' favourable tax regime to boost business efficiency and profitability, effectively dealing with complex tax challenges.

> Trusts, Wills & Probate

Our estate planning and administration services are designed to ensure our clients' assets are managed and transferred according to their wishes. We provide tailored solutions for **estate planning**, including **wills**, **trusts**, and **succession planning**, ensuring peace of mind for our clients and their families. Our team also handles the administration of estates, guiding executors through the process with sensitivity and professionalism.
